## Otis Historical Archives

### OHA 147 DiLorenzo Collection

**Date of Records:** 1950-1984

**Size:** 1 cubic foot

**Finding Aid by:** Eric W. Boyle

**Access and Use:** The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Some of the records may contain restricted material. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

**Biographical Note:** Dr. Anthony DiLorenzo served as a Colonel in the Army Medical Corps and commanded the Pentagon Health Clinic for 25 years. The clinic was renamed in his honor after his death in 1990, given his work to establish the clinic's reputation for professional dedication and compassion.

**Series/Scope and Content Note:** The collection includes seminar material, notes, photographs, awards, and certificates. SEE ALSO General Medical Product Information Collection (OHA 168), New Contributed Photograph Collection (OHA 250), Historical Collections, and the Museum library.

#### SERIES 001: MEMORABILIA, PHOTOGRAPHS, AND CERTIFICATES

This series includes materials from seminars on a variety of topics, workshop material, photographs, and a number of licenses, awards and certificates earned by DiLorenzo.

#### SERIES 002: CASSETTE TAPES

The cassettes in this series address a variety of topics relate to the diagnosis and treatment of patients for a wide range of conditions.
